Sirs:

In response to the Office Action mailed 9/11/2002, please add new claim 21. A
replacement set of claims follows:

1. A computer-implemented method of distributing cards to a plurality of recipients,
the method comprising:

receiving a card order specifying a plurality of recipients and, for each specified
recipient, a set of one or more uploaded images associated with that recipient;
for each of the plurality of recipients specified in the received card order, printing
at least one card having at least one uploaded image from the recipient's image set; and
distributing the printed cards having the recipients' uploaded images to their
respective associated recipients.

2. The method of claim 1, wherein the card is one or more of a greeting card, a post card,
and a playing card.
